

Xero business plans for Australia from 1 July 2024

Xero has simplified its set of plans to make it easier for small businesses to access the tools they need to help run their business efficiently.

What's new

On 1 July 2024, Xero launched three new streamlined business plans (Xero Ignite, Xero Grow and Xero Comprehensive) and enhanced the Ultimate plan in Australia. These new plans are designed to provide you with easier access to the tools to help run your business efficiently. That means more key features included, with fewer plans and no add-ons to navigate. As a result, the Payroll Only, Starter, Standard and Premium plans are no longer being sold. In addition, all Premium 10–100 plans were converted to our enhanced Ultimate 10–100 plans on 1 July 2024.

Phased move to new plans

From 1 July 2024:

- **Xero is moving subscribers to the new plans in phases, taking into account their current plan (and any add-ons). For the majority of customers, this means more features for the same or lower price when they are moved to a new plan**
- This move started with Premium 10–100 plans which have been converted to the enhanced Ultimate plan at the equivalent payroll tier at the Ultimate pricing (that means access to ten users on Xero Expenses and Xero Projects instead of the current five)
- We'll be in touch with more details before we make any change to other plans and will ensure that you have a minimum of 60 days' notice before your plan is moved
- If you want to upgrade, downgrade, or remove an add-on, you'll need to choose one of the new plans. If you transfer a subscription, the new subscriber will need to choose one of the new plans
- Once you've moved to a new plan, your previous plan will no longer be available

New plan line-up

Here's the new line-up of plans:

- **Xero Ignite:** Accounting basics for businesses starting out
- **Xero Grow:** Accounting tools for the self-employed and growing businesses
- **Xero Comprehensive:** Streamlined accounting and payroll for businesses with employees
- **Xero Ultimate:** Accounting, payroll and forecasting tools to help businesses scale for future growth
