How Syft Analytics has helped **Krishan Sharma, Partner at KNS Accountants & Business Advisors** provide more value to their clients, and driven growth:

How Xero Analytics has helped **Macushla Collins, Founder of The BD Edge** make more confident business decisions:

“Syft Analytics has empowered us to deliver more strategic advice at scale, giving us the confidence to offer proactive guidance to our clients. We’ve seen a significant 20% increase in revenue from advisory services, thanks to features like Syft’s scheduled reports and AI-generated insights.”

“These new analytics features from Xero are exactly what I’ve been looking for. Instead of searching for another tool, I can now get the clear financial understanding I need, right within Xero. I’m looking forward to using these insights to feel more confidence in my business decisions.”

Analytics across Xero and Syft plans

As a Xero partner, you’ll get access to corresponding Syft plans at no extra cost *Terms and conditions apply.

If your clients are on	Your practice has access to	Best for	Key capabilities
			
Starter	-	Regular business health checks and automated management reporting	Xero: Basic visuals, performance dashboards, and 30-day cash flow.
Standard	Plus	Deeper analysis and customisations	Xero: Customisable performance dashboard, KPI graphs and tracking category filters. Syft: Multi-entity consolidations, AI insights, automated management reports, practice oversight of performance, benchmarking, 4-way forecasts and data reviews.
Premium	Advanced	Complex group analysis and strategic forecasting	Xero: 180-day cash flow, advanced KPI analysis, up to 5 dashboards and colour and styling options. Syft: Multi-level consolidations for group reporting and cohort benchmarking.

Getting started is simple

- 1. Log in to Xero:** Access Analytics in the Reporting menu via the navigation or in the Reporting center.
- 2. Activate Syft:** Create a Syft account and connect your qualifying Xero business plan.
- 3. Automatic Sync:** If you upgrade or downgrade your Xero plan, your Syft plan automatically adjusts to match.

Terms of the Syft offer

This offer is available to your qualifying business plan subscriptions (Standard, Premium). We will provide Syft Analytics software, at no additional cost, to these business plan subscriptions. In each case, the Syft plan will correspond to your Xero business plan subscription. If you upgrade or downgrade your Xero subscription, the corresponding Syft plan will also be upgraded or downgraded. If you downgrade your Xero subscription to one that does not qualify for this offer then you won’t continue to receive Syft Analytics software at no cost, but you can continue to use it by purchasing from Syft directly. This offer may be changed or withdrawn in accordance with Xero’s Terms of Use.
